INTER-ZONE TRANSFERS

Students shall be assigned to schools on the basis of the attendance zone within which they reside. Attendance zones will be reviewed annually to be certain they accurately reflect facilities capabilities of the various schools. Transfer restrictions may be imposed by the district to ensure ample capacity exists for all students residing within each school attendance zone.

The district may grant individual waivers from the attendance zone requirements. The Superintendent will develop procedures to govern consideration of inter-zone transfer requests.

Inter-Zone Transfers must be in compliance with all other district policies.
