Sometimes during the school year, we experience inclement weather that causes our schools to close or have schedule changes. In considering these types of closures, the safety and wellbeing of our staff, students and families is priority. When such a decision is made, families will be notified by an automated phone call, email, and/or text. We will announce closures and delays as early as possible, but not later than 6:00 a.m. Occasionally, circumstances change quickly that make late announcements unavoidable.
