

Hello PGS Community!

Somehow it's already mid-April and we just realized we never sent an email about yearbooks!

Yes, yearbooks are happening this year! As we have for many years, we're using TreeRing for our yearbooks. TreeRing has a couple of awesome perks:

1. You get 2 FREE customized pages that will only print in your yearbook! While TreeRing is pretty user friendly, there are some how-to guides available on the website if needed.

2 You can order any time! If you want your yearbook to ship to the school for free (scheduled to arrive on or before June 10th), order by Friday, May 17th through the link below. Forget to order by that date? No worries, with TreeRing you can order anytime and have the yearbook sent to your home (shipping fee will apply), even years later!

Yearbook sales are ONLINE ONLY. We will not send home a paper order form, just paper flyers with info on how to order, and we currently do not plan to order any non-customized versions to sell.

This link should take you directly to the site to order a PGS yearbook, however, if it asks for a school passcode ours is 1014278474703041.
