

# Kindergarten Orientation 2021-2022

Tumwater School District

**Wednesday, May 26, 2021**

Orientation and Screener ...  
At Each School

**Thursday, August 26, 2021**

Summer Orientation ...  
New Kinder Enrollees AND 6-Year Olds

## Sharing with Families ... Video Promo

Principals have provided voiced transcripts for use in filming to provide visuals of places they will frequent in our schools ...

- All School Entrances
- Students Working in Class
- PE, Music, Library, Tech
- Lunch
- Playground
- Bus Drop-off and Pick-up
- Office and Health Room
- TVA Virtual Option

This video promotion will be available for schools to share with families that have registered. Sites will be able to forward it to families through Skyward messaging. This could also include their pre-scheduled orientation time on May 26<sup>th</sup>. *It may be helpful to ensure registration information is entered into Skyward as packets are received in the spring.*

## Orientation Planning ...

### **Onsite Meeting and Screening**

Each site will need to identify an Orientation Team.

They will also need to select multiple locations within their school for trained staff to implement the screener.

Each future kinder student will travel to three different locations to complete their screening ...  
(1) Academics (2) Fine Motor (3) Self-Portrait

We have two screeners. All 5 and 6-year olds will take the screener for 5-year olds. The screener for 6-year olds may be implemented based on the results of the first screener.
