

# Tumwater Hill Elementary Supply Lists

2020 - 2021

The start of this school year is definitely different. In an effort to keep things as simple as possible for our families, we have slimmed down the supply lists. These are the supplies students need to start the year off with remote learning. We would like to encourage students to use the supplies they already have at home. If you have crayons, use them. If you have pencils, use those. Please let us know if you need assistance.
