**Summer School Program Overview:** This course will serve as a preparatory course to the fire service in general. In the State of Washington, firefighters must also be Emergency Medical Technicians. In fact, the bulk of our workload are medical calls. To that purpose, this class will focus on the physical, hands-on side of firefighting, the academic portion of the fire service, and the serving nature of emergency medicine. Students will have the opportunity to work off a fire engine, take medical vital signs, and interact with a large group of diverse peers.

## **Credits Available**

Students have the ability to earn a full Lab Science, PE, and Occupational Ed credit upon successful completion of the class.

## **Food & Drink**

Food and drink is permitted in the classroom so long as it is not a distraction and the students clean up after themselves. Should it become a distraction or a mess, food will no longer be permitted. Students will not be allowed out during class time to purchase food.

## **Additional Policies and Course Requirements**

### **NMSC Expectations & Policies – Student Handbook**

Students are expected to review and follow the school rules, procedures, and processes outlined in the NMSC Student Employability Handbook. New Market Skills Center follows Tumwater School District board policies. Rules will not be reprinted in the syllabi.

### **Cheating/Plagiarism**

Students are expected to do their own work. Cheating and Plagiarism (presenting another writer's work as one's own) will not be tolerated.

### **Electronic Equipment**

Personal electronic devices, including but not limited to, cell phones, iPods, PSP's, mp3 players, cd players can be a disruption to the educational process and are not permitted to be used during class time.

*Students violating the electronics policy can expect:*

- 1<sup>st</sup> offense – Verbal warning
- 2<sup>nd</sup> offense - Phone/electronic device will be taken away until the end of the day.

### **Dress Code/Uniform Requirement in Addition to Student Handbook**

Physical fitness is an integral part of firefighting. We will be physically active throughout the day, so dress accordingly. There will be time to change into fresh clothes should the need arise, so feel free to bring extra clothes.

## Safety Policy

While firefighting is a dangerous job, the fire service has created a culture of safety that will start in this class. Horseplay on the drill ground is not allowed. We will take care of ourselves and each other at all times. If directions are given, they must be followed. To not do so could result in injury to yourself and/or other students. These directions/instructions are in place to provide a safe and fun learning environment.
