

Construction Trades

Instructor Name	Adam Shell	Phone	360.570.4457
Room #	C-5	E-mail	adam.shell@newmarketskills.org
Office Hours	7:30 – 3:30	Web Page	newmarketskills.org

Course Overview: The (CT) program is a pre-apprenticeship program teaching entry level construction skills and knowledge. This course covers both residential and commercial construction with an emphasis on job site safety. Additionally, students focus on employability, problem-solving, skills building, as well as team building. The course goal is to prepare students for direct entry into an apprenticeship by meeting rigorous academic and industry standards. Students learn “real world” experiences through field trips, guest speakers, and hands-on activities/projects while earning nationally recognized certifications through H.B.I.

Course Objectives and Units:

- Career planning
- Professionalism Skills
- Hand Tools/ Power Tools/ Stationary Tools
- Industry Standards and Practices
- Blueprints, Plans and Drawings
- Culminating Project Design/Build

Course Supplies & Fees: \$ 25.00

Students will receive:

- safety glasses
- tape measure

Grade Scale:

Percent	Letter Grade	Percent	Letter Grade
100-94	A	82-80	B-
93-90	A-	79-77	C+
89-87	B+	76-73	C
86-83	B	72-70	C-
60 - 66 = D		66 - 69 =D+	
59 and below = F			

Redo Policy: Students will have a chance to redo each assignment once and can earn a total of 80%

Homework Policy: All homework is to be completed and turned in on time for full credit. Late assignments will lose 20% per day

Food & Drink: No food or Drink allowed in Shop. Food and Drink in Classroom is permitted as per instructor's discretion.

Leadership: Leadership is a major part of the course. Each student will be given an opportunity to lead in a number of different, and relevant capacities. Student's ability to both lead effectively, and perform duties well will be graded under employability.

Additional Policies and Course Requirements:

NMSC Expectations & Policies – Student Handbook

Students are expected to review and follow the school rules, procedures, and processes outlined in the NMSC Student Employability Handbook. New Market Skills Center follows Tumwater School District board policies. Rules will not be reprinted in the syllabi

Pathway Math Credit:

To graduate from high school in Washington, students must earn credits, demonstrate readiness to graduate through one of the pathways, and complete a High School and Beyond Plan. Resources for educators, school districts, and families can help support students to graduate with a diploma and a meaningful plan for a successful future. For students who have a designated pathway for Construction, this course will include 3rd Year Pathway Math Credit.

Cheating/Plagiarism

Students are expected to do their own work. Cheating and Plagiarism (presenting another person's work as one's own) will not be tolerated.

Electronic Equipment

Personal electronic devices, including but not limited to, cell phones, iPods, PSP's, mp3 players, cd players can be a disruption to the educational process and are not permitted at school.

Students violating the electronics policy can expect:

- 1st offense – confiscation
- 2nd offense – referral to administration

Dress Code/Uniform Requirement in Addition to Student Handbook:

Students will wear long pants, closed toe shoes, and will have no loose clothing while in the shop environment. In addition, each student will wear a hard hat and safety glasses at all times when in the shop.

Safety Policy- Any student not contributing to an environment that encourages safety in all areas will be removed from our working environment.

COVID-19 Expectations

At some point during this school year, our students may have opportunities for on campus hands-on instruction or assessment. Please read the guidelines below outlining the precautions we are taking around COVID-19.

Masks

- All students and staff on campus will be *required to wear masks* at all times.
- We may have a few extras, but the expectation is that students provide their own.

Social Distancing

- While on campus students need to maintain physical distancing as much as possible.

- When attending school, the number of students allowed on campus will be limited based on department of health guidelines, each student will have their own learning space, and be at least 6 feet from their peers.
- Instructors will stagger the release of students to avoid large numbers congregating in the halls or bathrooms.

Cleaning

- Student learning surfaces and shared spaces including classrooms and bathrooms will be thoroughly cleaned and sanitized daily. Instructors will also have additional supplies on hand to wipe down surfaces as needed.
- It is helpful if students bring their own hand sanitizer, if available; to further prevent the spread of possible germs.

Health

- Before coming to campus students should assess their health and symptoms, which include, but are not limited to fever, shortness of breath, headache, cough, fatigue, muscle aches, loss of smell or taste, and sore throat. If you or anyone in the household are exhibiting any of these symptoms, please keep the student home and notify New Market of the student's absence.
- If the student has been in close contact with someone suspected of having COVID 19 or someone diagnosed with COVID 19 in the past 10 days, please keep the student home and notify New Market of the student's absence.
- Click here for full [CDC symptom guidelines](#).

Student Arrival/Screening

- Students are required to complete a COVID-19 attestation in Skyward, a screening before riding school transportation to New Market, or submit to onsite screening for COVID-19 daily prior to being allowed on campus. Students experiencing symptoms will be excluded from school per state guidelines. Students that become ill while on campus will wait in a supervised isolation room and parents will be contacted to pick up their student. The school nurse will contact the family within 24 hours for further guidance.

Please sign and return to instructor:

I have read, understand, and agree to the class rules, grading and expectations outlined in this syllabi.
