

# HEADING for HYBRID

**Sep 23, 2020**

Thurston County Public Health Officer announces schools can begin to plan for in-person services in hybrid model

**Staff Survey**

Determine who will be able to return in-person to their assignment

**Grades levels**

Finalize decisions regarding which grade level(s) to bring back first

**Work with Associations**

Work with employee associations to consult and review agreements on opening to hybrid model

**Parent Survey**

Determine which elementary students will return for in-person hybrid and those who want to continue fully remote

**Staffing Step 1**

Consider our ability to assign staff to continue teaching fully remote for students who will not return

**Staffing Step 2**

Fill staffing needed to begin hybrid instruction model

**Building Prep**

Finalize preparing classrooms and buildings for hybrid instruction

**Logistics**

Finalize bus routes, food service plans, health screening, drop-off/pick-up, etc

**Set Dates & Phases**

Finalize phases and dates for return of students to hybrid in-person instruction

## 2020-21 Return Date TBD

9/23/20
