meet the TEACHER

Mrs. Heather Alnes

Welcome to 2nd Grade!

I am pleased to welcome you to the 2022-2023 school year! I am looking forward to having your child as a student. Second grade is such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in this classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our community. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.

About Me

Hello! I am Heather Alnes and I live in the Tumwater community with my husband, Robert Alnes and our son Carter who is 10 years old. My husband also teaches at MTS, in the 5th grade. We have two grown daughters, Ashley (22) and Courtney (20) who both live locally and make appearances in the classroom from time to time.

I attended Western Governors University to earn my BA in Elementary Education and returned last year to complete my Master of Science in Curriculum and Instruction.

Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
