

TUMWATER SCHOOL DISTRICT

2016-17 SCHOOL PERFORMANCE REPORT

Black Lake Elementary

Our School

6345 Black Lake-Belmore Rd. SW
 Olympia, WA 98512
 360-709-7350

Superintendent John Bash
 Principal Misty Hutson

We are proud of our students, staff, outstanding parents, and volunteer involvement at Black Lake. We work together to ensure the success of each student by providing excellent education in a quality school. Our talented, dedicated staff strives to improve academic programs and instructional strategies. Our site plan and staff development programs help create a positive environment for all.

The use of data to drive instructional practice is second nature to the staff at BLE. Over the years, we have become more proficient in the use of data to identify students who are higher level thinkers, as well as those needing extra support. We analyze assessments in order to best meet students' needs in the areas of reading, writing and mathematics. As a result, Black Lake has been recognized by Washington State for reading growth, math growth and overall excellence several times recently.

Black Lake was built in 1982 and is located at 6345 Black Lake-Belmore Road SW. The design provides flexibility to join classrooms. The commons area can be used as an extension of the adjacent classrooms for small group work and team-teaching. We have 26 classrooms, including three portables.

Our Students

Number of students		Ethnic composition		Special Programs	
Grades K-6 (Oct 1, 2016)	531	Percent of population:		Free/Reduced Price Meals	27.0%

Our Financial Resources

Total Budget 2016/17:
\$3,593,755

Staff Development Funds:
Used to improve instruction and enhance student learning.

Categorical Dollars:
State and Federally-funded programs such as Special Education, LAP, Title I-IX, McKinney-Vento, State Highly Capable and Transitional Bilingual Programs.

Building Budget:
Includes instructional materials, contractual services (phones, etc.), supplies and materials, capital outlay, travel, etc.

Salaries and Benefits:
Includes salaries and benefits for certificated and classified staff.

Our School's Improvement Plan

Each year, we create a School Improvement Plan (SIP). The purpose of the plan is to identify goals and actions that increase student achievement. The development of this plan is also an opportunity for us to reflect on our strengths and weaknesses as an organization. We use the plan to improve our communication with others and to keep our attention on school safety.

Our School Improvement Plan is available to view on our website.

Community Involvement

We know that parent and community involvement both within and outside of school are critical to student success. Each year parent and community volunteers contribute thousands of hours to our programs and committees. There are many options available, including the following examples: supporting student learning in the classroom, serving as a "lunch buddy", providing office support, or serving on a site management team or advisory committee. To volunteer, drop by the school or call 709-7350.
