

Summer

at the

Timberland Regional Library

To Parents and Caregivers:

Now is a great time to include the Timberland Regional Library and the Summer Library Program in your summer plans. The Summer Library Program goes virtual June 1 - August 31.

Participating in library activities and events both virtually and in person is a great way to help reduce summer learning loss in kids, a phenomenon that happens when the skills students learn during the school year are lost or forgotten over the summer.

Start the summer with a FREE BOOK for participating. Read, learn, create and explore your way through the summer, at the library and everywhere!

Keep track of your busy summer using an activity log (available at any library location), online at TRL.beanstack.org, or on the Beanstack app. When you've completed at least 10 activities listed on the log and on Beanstack, collect your Certificate of Completion from any [Timberland Regional Library location](#)!

Get an [online library card](#) for immediate free access to eBooks, audiobooks, movies, digital magazines, online classes, databases, and more. For a complete list of libraries, hours and services available go to the [Plan Your Visit](#) page.

The library will also have free fun virtual events for the whole family including Storytimes, STEM activities, performers, and more! For a schedule of events, check out the [TRL Online Virtual Events calendar](#) at TRL.org.

Contact your local library for more information about what is available this summer.

Live Chat is available Monday-Saturday 10-5 for immediate assistance from our website, www.TRL.org.

We hope to stay connected this summer!
