

Highly Capable Program Referral Form

Any student in the Tumwater School District who would benefit from advanced or highly capable services may be referred for program consideration. A parent, teacher, or a community member may submit this form. It is not necessary to complete a form for second grade students, as we already screen every student at this grade level.

Return the completed form to the front office of your school or to Gwen Moody in Student Learning at the district office (621 Linwood Ave SW | Tumwater WA 98512). Forms must be received on or before **November 8, 2019**.

The Tumwater School District Multi-Disciplinary Selection Committee will determine selection for highly capable services. Selection measures may include, but are not limited to, the following data sources: district assessments, state assessments, report card grades, teacher input, or cognitive abilities test.
