

TUMWATER SCHOOL DISTRICT NO. 33

2017-18 SCHOOL PERFORMANCE REPORT

# Littlerock Elementary

## Our School

12710 Littlerock Rd. SW  
 Olympia, WA 98512  
 360-709-7250

Superintendent John Bash  
 Principal Glenn Spinnie

The original facility, situated on 11 acres at 12710 Littlerock Road SW, was constructed in 1912. Extensive additions, remodeling and renovations were done in 1977, 1985 and 1992. In 2000, LRE increased its size by 3.52 additional acres and 40,118 square feet. Seismic upgrade and modernization was done in 2003-04. Passage of a local bond in 2014 led to modernization and partial replacement of Littlerock's buildings. Work was completed in September, 2017.

At LRE we emphasize the teaching of Common Core State Standards so students can enter each grade level with the learning tools to be successful. Beyond high expectations in the classroom, each child receives daily support in reading and mathematics through our Response to Intervention (RTI) which reaches low to high performing students. Through our school-wide behavior management program, Positive Behavior Management System (PBIS), our students are recognized frequently via "Tiger Paws" and at monthly assemblies in many areas, such as: academic achievement, academic improvement, attitude, and being safe, respectful, responsible, and kind. LRE provides a full complement of educational services including, but not limited to: Drama Club, Reading Club, Accelerated Reader, Music, Band, Orchestra, one hard-wired computer lab, 4 mobile computer labs, and Foss Science Kits.

## Our Financial Resources

Total Budget 2017/18:  
\$2,630,294

**Staff Development Funds:**  
Used to improve instruction and enhance student learning.

**Categorical Dollars:**  
State and Federally-funded programs such as Special Education, LAP, Title I-IX, McKinney-Vento, State Highly Capable and Transitional Bilingual Programs.

**Building Budget:**  
Includes instructional materials, contractual services (phones, etc.), supplies and materials, capital outlay, travel, etc.

**Salaries and Benefits:**  
Includes salaries and benefits for certificated and classified staff.

## Our School's Improvement Plan

Each year, we create a School Improvement Plan (SIP). The purpose of the plan is to identify goals and actions that increase student achievement. The development of this plan is also an opportunity for us to reflect on our strengths and weaknesses as an organization. We use the plan to improve our communication with others and to keep our attention on school safety.

Our School Improvement Plan is available to view on our website.

## Community Involvement

We know that parent and community involvement both within and outside of school are critical to student success. Each year parent and community volunteers contribute thousands of hours to our programs and committees. There are many options available, including the following examples: supporting student learning in the classroom, serving as a "lunch buddy", providing office support, or serving on a site management team or advisory committee. To volunteer, please fill out the online volunteer form. Once approved (you will receive an approval letter), you can contact the school office to find out how you can get involved. Thank you for your support of Tumwater schools!
