

TUMWATER SCHOOL DISTRICT NO. 33

2017-18 SCHOOL PERFORMANCE REPORT

Michael T. Simmons Elementary

Our School

1205 S. Second Ave.
Tumwater, WA 98512
360-709-7100

Superintendent John Bash
Principal Elliott Hedin

The original Michael T. Simmons Elementary was built in 1937. It was replaced in 1985 with the current facility, which is located on 18 acres at 1205 S. Second Avenue. A complete modernization of our school was finished in 2007 with new heating, lighting and technology systems, as well as a new bus entry. This work was completed with State matching funds.

At MTS, the staff is committed to providing a quality educational experience for every student. We work in partnership with one another, parents, and the Tumwater community to achieve this goal. We value quality, commitment, creativity, and personal responsibility. We appreciate individual differences and treat each other with respect and dignity.

Team planning and sharing occurs school-wide to continually improve student learning. MTS continues to be a leader in excellence as we prepare each student for the future. Last year we had over 600 students K-6.

Our School's Improvement Plan

Each year, we create a School Improvement Plan (SIP). The purpose of the plan is to identify goals and actions that increase student achievement. The development of this plan is also an opportunity for us to reflect on our strengths and weaknesses as an organization. We use the plan to improve our communication with others and to keep our attention on school safety.

Our School Improvement Plan is available to view on our website.

Community Involvement

We know that parent and community involvement both within and outside of school are critical to student success. Each year parent and community volunteers contribute thousands of hours to our programs and committees. There are many options available, including the following examples: supporting student learning in the classroom, serving as a "lunch buddy", providing office support, or serving on a site management team or advisory committee. To volunteer, please fill out the online volunteer form. Once approved (you will receive an approval letter), you can contact the school office to find out how you can get involved. Thank you for your support of Tumwater schools!
