

TUMWATER SCHOOL DISTRICT NO. 33

2016-17 SCHOOL PERFORMANCE REPORT

Peter G. Schmidt Elementary

Our School

237 Dennis St. SE
Tumwater, WA 98501
360-709-7200

Superintendent John Bash
Principal Jack Arend

Peter G. Schmidt Elementary, located on 14.8 acres at 225 Dennis St. SE. The first building was constructed in 1957, while additions, remodeling, and renovations were done in 1963, 1978, 1990, 1996 and 2006. The District's 2014 bond allowed for a new building to be constructed while keeping the existing gymnasium and adding a demising wall on the north side that connects to the new building. The current facility is 60,000 + square feet with 4 portables and the Library from the previous building. It houses Kindergarten through 5th grade. The staff at Peter G. Schmidt holds the fundamental belief that all children can learn given a safe emotional and physical environment. The staff is committed to working collaboratively with parents and the community to create a nurturing yet challenging atmosphere in which students work towards mastery of the Common Core Standards in all core subjects. Our educational programs are designed to meet students at their current academic abilities and help them continually succeed. In addition to teaching the basic skills of reading, writing, and mathematics, we work to instill the values of being safe, respectful, responsible and kind. Students are taught to be participating citizens who have the ability to influence their environment.

Our Students

Our Financial Resources

Total Budget 2016/17:
\$4,610,996

Staff Development Funds:
Used to improve instruction and enhance student learning.

Categorical Dollars:
State and Federally-funded programs such as Special Education, LAP, Title I-IX, McKinney-Vento, State Highly Capable and Transitional Bilingual Programs.

Building Budget:
Includes instructional materials, contractual services (phones, etc.), supplies and materials, capital outlay, travel, etc.

Salaries and Benefits:
Includes salaries and benefits for certificated and classified staff.

Our School's Improvement Plan

Each year, we create a School Improvement Plan (SIP). The purpose of the plan is to identify goals and actions that increase student achievement. The development of this plan is also an opportunity for us to reflect on our strengths and weaknesses as an organization. We use the plan to improve our communication with others and to keep our attention on school safety.

Our School Improvement Plan is available to view on our website.

Community Involvement

We know that parent and community involvement both within and outside of school are critical to student success. Each year parent and community volunteers contribute thousands of hours to our programs and committees. There are many options available, including the following examples: supporting student learning in the classroom, serving as a "lunch buddy", providing office support, or serving on a site management team or advisory committee. To volunteer, drop by the school or call 709-7200.
