

Follow the format below when typing display info for each finished art historical rendition.

For the first four (4) lines, type...

**Your Name**

***The Title of Your Rendition***

**the media/materials you used**

**the Month and YEAR you completed it**

Then, type sentences and/or paragraphs (no more than a page) about the following:

**Why you chose the artist and/or artwork you did...**

**What we should know about the artist/artwork you chose...**

**What makes the artist/artwork significant, famous or unique...**

**How you went about making *your* rendition (your process/journey)...**

**How your rendition replicates or refers to the original artist/artwork...**

**Anything else you think your viewers ought to know about what you've given them to look at, so they can understand and appreciate it better...**

After proofreading, print and insert info into your portfolio – info on the left, rendition on the right.
