

# Display information for artworks follows a basic format.

For the **first four (4) lines** consist of...

Your Name

*The Title of Your Artwork*

the **media/materials** you used to make the artwork

the **Month** and **YEAR** you completed the artwork

The **statement** portion – sentences and paragraphs – can address the following and should be no more than a page:

**Why did you choose to make the artwork you did? What's the backstory?**

**What do we need to know to understand and appreciate your artwork?**

**How did you go about making *your* art? What was your process, your journey like?**

**What are the strengths of your work? What do you like about it? What did you do well?**

**If you've made a rendition, what makes the original artist/artwork so significant, famous or unique?**

**If you've made a rendition, how does your artwork replicates or refer to the original?**

Display information is always **typed**, proofread and edited.
