

Welcome!

Take one of each printed handout about the course.

Draw something.

For the remainder of the period, on a half-sheet of notebook paper use any medium you have with you (pen, pencil, etc.) to draw one of the following:

- **Your “favorite thing” to draw**
- **Your style or kind of doodling**
- **Your recent meal (every part of it – ingredients, dishes, tools, etc.)**
- **Your observations of the object(s) on the center table**

Please print your NAME and today’s DATE on your drawing.

Hand in your drawing at the end of the period.
