

It's Friday... Acrylic/Collage* Day

Use acrylic and/or collage* to fill the day's page in your SKETCHBOOK.

* In the Visual Arts, collage means the creation of a new image with and/or on attached materials.

If you do this weekly, it can help you earn maximum credit for at least two SKETCHBOOK criteria.

So far in Studio Art you have...

- ☐ Handed in the 1st Assignment.
- ☐ Handed in a **receipt from ASB** showing the course fee paid/waived.
- ☐ Shown the instructor you have a **SKETCHBOOK** of the prescribed/recommended size (between 8x10" and 4x6").
- ☐ Completed **5 more pages** in your **SKETCHBOOK** (for a total of 8)

At least one of those pages *could* be in **color pencil** each week, on Mondays.

On Tuesdays – **ink**. Wednesdays – **watercolor**. Thursdays – **oil pastel**. Fridays – **acrylic or collage**.

None (or almost none) of your sketchbook pages show the use of graphite (i.e. "lead").

- ☐ Been working on your first **ART HISTORY** rendition.
