

# SEMESTER Grade Scenarios in Studio Art

To earn Fine Arts or elective credit toward graduation, your job this semester is to...

- Produce a quality page of sketching every day for eighty (80) days.
- Produce a quality mixed-media, art historical rendition with display info every two (2) weeks for sixteen (16) weeks.
- Produce a large, grid-made, acrylic, self-portrait from a printed photo by painting one piece of the picture at a time.

If you turn in **absolutely nothing**, the **lowest score** you can earn is **50%**. You can only go up from there! 😊
