Calling all Students and Families!

Attend this FREE career exploration event on **March 16th**! Find Your Future is aimed to break down obstacles, barriers, and stigmas associated with employment and provide opportunities for career exploration for both students and their family members of all ages.

Sat., March 16th, 24; 10AM-2PM; New Market Skills Center (7299 New Market St SW, Tumwater, WA)

Learn more at <https://thurstonchamber.com/chamber.../find-your-future/>

Food will be available for purchase during the event. Hosted by the Thurston County Chamber.

Calling all Students and Families!

Looking to explore different career opportunities or take the first step toward a fulfilling career?

Look no further than *Find Your Future!*

Find Your Future is a FREE community career exploration event aimed at breaking down obstacles, barriers, and stigmas associated with employment and providing opportunities for career exploration for students and adults of all ages.

When: Saturday, March 16th, 2024, 10AM-2PM

Where: New Market Skills Center (7299 New Market St SW, Tumwater, WA 98501)

Registration: forms.office.com/r/rfudjxrBGw

Parents/Guardians of student attendees are welcome to attend Find Your Future! No registration is required for parents.

This is a community event hosted by the Thurston County Chamber.

Register Today

Over thirty businesses and training providers from various industries will showcase at least one job opportunity in their company, and attendees will have the opportunity to participate in hands-on activities to experience different career pathways.

- **Meet with employers face-to-face in a less formal setting.**
- **Find inspiration to think about future careers.**
- **Identify current job opportunities.**
- **Help your student(s) evaluate their career options, choose a college, and finance their continued education.**
- **Gain new insights into occupations that you may not have previously known existed or thought were attainable to you!**

Visitors will be able to come and go throughout the day as there will be an ongoing welcome video at the entrance. There will also be optional breakout sessions on finding education and apprenticeships during set times in the auditorium for a more detailed overview of information and resources:

- **Financing The Future:** A walk through Federal Student Aid (FAFSA) and the steps to the application process.
- **Careers in the Local Economy:** An understanding of what jobs are going to become available in the future and how you can prepare yourself for their future in the workforce.
- **Washington State Labor Council:** Get to know the programs they offer, how they represent unions throughout Washington State, and the services they can offer you.

Food will be available for purchase during the event.

REGISTER TODAY

**CENTER for
NEUROTECHNOLOGY**

a National Science Foundation Engineering Research Center

Young Scholars Program-REACH

The Center for Neurotechnology (CNT) at the University of Washington sponsors a [five day "YSP-REACH" program](#) on the Seattle Campus during the summer. High school students receive an introduction to neuroscience and neural engineering, neuroethics, scientific communication, and the latest developments in brain-computer interfaces. Participants have the opportunity to tour CNT partner labs in departments including Computer Science and Electrical Engineering. The goal is to provide students with exposure to the field of neural engineering and provide basic preparation for college studies in STEM subjects as well as future STEM careers. The program is well suited for students interested in a STEM career, with a specific interest in neural engineering and neuroscience.

The 2024 YSP-REACH program will take place **July 15-19, 2024**.

Applications for the [summer 2024 YSP-REACH program are now available](#).

Completed applications must be received by March 15, 2024.

The cost is \$500/student for the in-person program and \$100/student for virtual program.

Questions? Please [contact Dr. Eric Chudler](#), the CNT's Education Director.

The National Honor Society is offering a tutoring service for those who need extra help outside of class. Those who are interested, use the QR code below or visit nhsblackhills.com, where you will list your subject area of help and your contact information. A tutor will then contact you and provide available times to meet with you. Tutoring will most likely be before school, during PACK, during lunches, after school, or via Zoom (dependent on tutors' availability). Student/Parent can fill out the [form](#) requesting tutoring.

Do you have concerns or suggestions about this school? Let us know! The suggestion box is going to be located in the commons, until after winter break, when it will be moved to the library. Keep it appropriate and positive! Any questions: as Leadership or Mr. Reeves.

Our Website is also a great resource for parents and students. On the front page of our website, you can find information about events happening, class schedules and our calendar. You will also find information about academics, activities and teachers webpages by clicking on the links at the top of the page: www.tumwater.k12.wa.us/bhhs

It's Great to be a Wolf!!

The second annual Battle for Billy took place in the BHHS Wolf Den in front of a packed house on Tuesday, Jan. 30th. Both games were highly-contested & both Black Hills & Tumwater were extremely well spirited & enthusiastic. The girls game came down to a last-minute shoot that rolled off the rim securing the Lady Wolves sweet of THS for the season. The boys game was a one possession game until the beginning of the fourth quarter & the size of Tumwater eventually wore down the Wolves which secured a split for the season. During the event the "standing room only crowd" were entertained & engaged by the cheerleaders, dances teams, band & a special sumo wrestling match by both principals. The match came down to a third-round hip toss by Principal Myers in which he secured the victory. At the conclusion of the boys' game, both student bodies anxiously awaited the Battle of Billy trophy announcement by Superintendent Bogatin & when it came **Black Hills was awarded the trophy.**

Special shout out to the BHHS administration, Nikki Nelson, Miranda Holbrook, Devyn Miller, Gabi Jones, Andrew Landowski, our custodial staff & announcers & our girls & boys basketball coaches/athletes/training staff and Dale Reeves.

The event was a great night for the Wolf Pack Nation!

WHAT IS A COMMUNITY SCHOOL?

A school that addresses the needs of the whole child -- providing accessible, local resources to advance the health, education, and well-being of the student and their family.

¡hablamos Español!

HOW CAN YOU BENEFIT FROM A COMMUNITY SCHOOL?

There is no income verification to qualify for the program

School Resource Centers have:

- Food & Snacks
- Hygiene & Dental supplies
- Clothes & Shoes
- School Supplies

Community & School Connection:

- Encourage family involvement with schools
- Increased student achievement
- Bridging the gaps in education & well-being
- Referrals to outside organizations & resources

Donations

We are always seeking donations of gently used clothes, snacks, gas/gift cards & more! Your donation supports our program & community ❤️
