Seniors:

Your last year in high school can be exciting or exasperating. There is so much to do and so many things to remember. One way to stay on top of things is to be sure that you hear or read the Daily Bulletin. Deadlines and other pertinent information (like when to order your cap and gown, scholarship information, etc.) are all noted in the bulletin. If you do not hear the bulletin read, be sure to check the Counseling Center. It is also on the BHHS website: www.bhhs.tumwater.k12.wa.us

Above all, do well in all your classes and enjoy your senior year! Remember in order to walk at graduation you must have met all the requirements for graduation.

Seniors, if you are thinking about attending a four-year college or university, now is the time to take the SAT or ACT if you haven’t done so. You will register for these tests on their website. Please read all the testing information carefully. You will need to upload a photo for your admission ticket. SAT: collegeboard.org, ACT: act.org

Test and registration dates can be found on the BHHS Counseling calendar, in the Career Center or on the individual testing websites. Please make sure to fill out which colleges you want your scores sent to. You get the first 4 free. If you wait and send scores after you have received them, there will be a $12/college fee. If you are on the Free/Reduced Lunch Program, see me for a test waiver before you sign up.

You can register online for the SAT test at www.collegeboard.com. We strongly recommend that you register as soon as possible to increase your chances of being assigned to the test center(s) you request.
