Running Start Information
Before enrolling in the Running Start Program, we want to make sure it’s going to be a good fit for the student. An in-person information session is required prior to starting class, and is your opportunity to learn about the requirements and structure directly from a SPSCC Running Start Advisor. Parents, guardians, and supporters are welcome and encouraged to attend and ask questions. Come early enough to find parking and save your seat, no pre-registration required. Students, remember to sign-in!
Sessions will run from January through the end of the school year on both campuses. Check https://spscc.edu/runningstart for dates and locations.

Scholarship Opportunities:
A complete list of Scholarship information and applications can be found on our Scholarship Bulletin at https://www.tumwater.k12.wa.us/Page/2617.

Job Opportunities:

**Community Service**
30 hours of documented community service with a non-profit organization is a graduation requirement. A list of organizations can be found on our website under the Academics tab along with the form. Community service activities in a governmental, non-profit, or bona fide charitable organization are appropriate.
Volunteer Tumwater
The City of Tumwater has several opportunities for you to volunteer your time. This can be a one-time commitment or ongoing depending on the need. For more information, go to
