The PSAT (Practice exam for the SAT) is coming up very soon. If your student is planning on attending a four-year college or University, then taking the PSAT is a good planning tool for prepping for the SAT exam which is a college entrance exam with many colleges using it for placement and scholarship opportunities.

If you are a Junior, then you may have the opportunity if your score is high enough to qualify for National Merit Scholarships.

This year's test will be given on **Wednesday, October 25th at 8am @ BHHS Room-TBD**. **Payment will be \$18 payable to the BHHS ASB office.** Students taking this exam will have until October 23rd at 3pm to register.

This year's exam is given digitally on students Chrome Books—make sure they are charged. Students will need to bring their own Chrome Books along with their chargers. They can bring their own calculator, but one will be provided within the testing program. October 25th is the only date that our school will offer this exam and it is not required but highly recommended as a planning tool for the SAT.

Testing will begin promptly at 8am so students should arrive no later than 7:45am on the 25th. If you have any questions regarding this exam, please contact Todd Franklin at 360-709-7827 or via email at todd.franklin@tumwater.k12.wa.us

It's Great to be a Wolf!!

BHHS won the first annual Battle for Billy sportsmanship award- This competition focuses on cheering for your team-- not against the other team; unity, class & good sportsmanship. There are a number of categories and it is "judged" by community members and student leaders from other schools. **Our students were amazing and won in a landslide.** This victory could not have happened without the leadership from Dale Reeves, Our ASB President, our Dance team coach Miranda Holbrook, our cheer team and coaches (Devyn Miler and Gabi Jones), among others, as well as our incredible student body.

It was an extremely proud night to be a Wolf and the community recognition was outstanding!
