

Student Equity through Every Donation

InvestED's SEED program helps to support low-income students helping to create a more fair and equitable education for all.

SIMPLE. FAST. DONATE TODAY!

How it works:

1. Choose a donation amount

2. Designate your school

3. 100% of funds go directly to our students in need!

Donating directly to a school is a great way of getting involved with education and 100% of the donation will go to the school designated on the donation form. When donating through **Student Equity through Every Donation (SEED)** 100% of the money goes towards purchasing items students need; such as, ASB cards, athletic fees, classroom fees and supplies. Small cost and purchases that make large impacts to help ensure students get to school, engage in school and graduate on time.
